

Coverage List Italsensor Americano - April 2026

USA&CANADA

This list outlines the compatibility of the Italsensor Americano with various vehicle makes, models, and years. It's important to note that the Italsensor Americano requires programming before installation, which can be done using an ATEQ TPMS programming and diagnostic tool. Therefore, it's essential to consult the coverage list provided by your programming tool for accurate information.

Ensure that the ATEQ tool is updated regularly to stay informed about any fixes or new vehicle additions.
